3. Instructions for Completing the CMS 1500

The updated form (2/2012) will be accepted beginning January 5, 2014 and the old form (8/2005) will be accepted until April 4, 2014. Beginning April 5, 2014 only the new form will be accepted.

3.1. Helpful Tips for Filling out the Paper Claim Form

- A maximum of six line items per claim can be accepted. If the number of services performed exceeds six lines, prepare a new claim form and complete all the required elements. Total each claim separately.
- Enter all dates except the Patient's Birth Date using the 2-digit month, day, and year (MM/DD/YY) format.
- You can bill with a date span (From and To Dates of Service) **only if** the service was provided every consecutive day within the span.
- Do not enter any data or documentation on the claim form that is not listed as required below.

Consult the *Use* column to determine if information in any particular field is required. Only fields that are required for billing the Idaho Medicaid program are shown on the following table. There is no need to complete any other fields. Claims will be rejected when required information is not entered into a required field. The following numbered items correspond to the CMS-1500 (02/2012) claim form.
